

Adult Excavation Weekends

June 19-20, September 5-6, September 12-13, 2009

Our overnight program, which runs from 10:00 am Saturday to 10:00 am on Sunday, is perfect for adults who have always been interested in experiencing archeology, but who don't necessarily want to participate in an extended-stay, more intensive excavation program. We'll explore an ancient Native American community at our 2000 year old village site, process finds in our lab, and participate in experimental archeology sessions—a nice “sampler” of the methods used by archeologists to interpret the past. Participants will stay in one of our dormitory buildings (minimum double occupancy); food service is **not** provided (bring your own or dine locally).

Tuition: \$150.00 per person; includes one-year membership in the CAA!

Who May Enroll: Participants must be 18 years or older; this is a great program for adults of all ages! Surprise a spouse/partner with a unique anniversary gift; kids, send your parents to “camp” for a weekend!

Is This Program Right For Me?: This program is for adults who are interested in exploring their interest in archeology. Although less intensive than our Adult Field School program, we will be working in the excavation site, laboratory, and will do supplemental sessions (Flintknapping, etc.) that show the variety of activities archeologists do to better understand the prehistoric past. Reasonably fit individuals who are capable of working outdoors (shoveling, troweling, moving in and out of excavation units, etc.) should be more than comfortable with our program.

Enrollment Process: Complete the Registration Form and return it to the CAA Office along with your 30% deposit or full payment. Upon receipt of a completed Registration Form, we will send you a confirmation letter and a packet of additional information. ***Please note that your remaining tuition balance is due one week before the program begins.***

What Forms Do I Need to Complete?: Registration Form, Assumption of Risk/Permission to Photo Form, Adult Medical Form. These are available from the “Registration Packet” link on the main page.

NOTE: Registration closes one week prior to the start of each session. Enrollment is limited to 15 individuals per weekend.
