child fascinated by ancient civilizations, and intent on excavating their way through your back yard in search of treasure? Why not give them the opportunity to learn about prehistoric Native Americans and archeology in our region? CAA's Family Dig It Weekend is the perfect solution. We an introduction to archeological excavation (we work at our year old village site) with an exploration of stone tool making, and much more. Join us for a fun **overnight** program full of discovery!

Program: The program runs from 10:00 am Saturday to 10:00 Sunday. Tuition is \$50 per person (child or adult), and covers supplies, and instruction. You'll also get a one-year

Food is not included in the program, so bring your own: we have refrigerators, a microwave, and a campfire area perfect for a cookout—or dine at a local restaurant (list will be provided upon arrival). Each family will have their own room in our dormitory facility, or you may choose to park your RV/camper at the Kampsville Village Park. Please call the Kampsville Village Office for more information (618) 653-4421.

Who May Enroll: Children ages 7-12 and their parents/guardians/grandparents etc.

Is This Program Right For Us?: If your children are interested in archeology (remember, we don't study dinosaurs – that's paleontology, which is awesome!), are able to listen to and take direction from CAA staff, and are able to handle the physical aspects of excavation (troweling, screening, a bit of shoveling), then they will most likely enjoy their experience. As much as we enjoy working with children under the age of 7, they are probably not quite ready for this program. *Out of courtesy to other participants staying in the dormitory, we ask that very young children who will not be participating in the program, including infants, remain at home with a parent or guardian.*

Enrollment Process: Complete the Registration Form and return it to the CAA Office along with your 30% deposit or full payment. Upon receipt of a completed Registration Form, we will send you a confirmation letter and a packet of additional information. **Please note that your remaining tuition balance is due one week before the program begins.**

What Forms Do I Need to Complete?: Registration Form (one per family), Adult Medical Form(s) as appropriate, Student Medical Form(s) as appropriate, Assumption of Risk/Permission to Photograph Form (one per family). These are available in PDF format from the "Registration Packet" link on our main page.

NOTE: Registration for the program closes one week prior to the start of each session. Register early to reserve a space for your family—ENROLLMENT IS LIMITED TO 15 INDIVIDUALS per session.
